# Mary Kantlehner

Volunteer for **14 years**

Children's Hospital New Orleans

### **My favorite memory volunteering**

My favorite memory is my first and continuing impression of Children's Hospital, smiling faces, and friendly greetings.

### **My inspiration to volunteer**

I volunteer through my job as the Children's Program Director at Angel's Place. We support families who have a seriously ill child.

### **My favorite part of volunteering**

I love that I have the opportunity to really get to know families over time and hopefully make a difference in their lives.

### **My little something extra**

I love cooking, costuming parading, dancing, and travelling with family and friends.

### **Why I'm extra-ordinary**

My years of experience volunteering has taught me to count my blessings every day. Through Angels Place, I have the ability to meet a wide variety of needs of the families we serve.

### **My day job**
