Touro

My favorite memory volunteering

I don't really have a favorite. I just enjoy my two volunteer days and when I run into friends or neighbors visiting the hospital.

My inspiration to volunteer

I had always said I was going to do volunteer work after retirement. After dealing with cancer, it took me a little longer to finally join Touro. I started volunteering in March of this year, and I am so glad I did.

My favorite part of volunteering

Greeting patients, visitors, and staff and just conversing with everyone. I love chatting!

My little something extra

I enjoy antique and craft festivals, shopping, going out to eat, and Wordament.

Why I'm extra-ordinary

I'm chatty and that makes me good at helping people find where they need to go in the hospital.

More great volunteers needed!
