

Team member and medical staff parking

Quick reference guide

All team members, contracted employees, and learners on all shifts working at East Jefferson General Hospital are assigned to park in the **Esplanade Parking Garage**; exceptions listed below.

Medical staff

Medical staff parking is assigned based upon work location and closest proximity to available medical staff parking. These areas include:

- Hudson Garage
- Canal Garage
- Esplanade Garage
- EJ North Garage
- Southeast Med Staff Lot

Advanced Practice Providers (APP)

APP shall park in the Canal Garage or Hudson Garage.

Learners

All residents, fellows, medical students, nursing students, respiratory students, radiology students, pharmacy students, allied professional students, and instructors shall park in the Esplanade Garage.

Registration

Everyone must register their vehicle with the Public Safety Department and will receive a window decal for their vehicle.

Parking policy

Please review the full [parking policy](#) for additional details including parking accommodations, how to avoid parking violations, access hours.

New to East Jefferson General Hospital

All team members moving to EJGH are asked to park in the Esplanade Parking Garage until you can register and pick up your vehicle decal. You will then have your official parking assignment and can then park in your designated parking area.

Parking decals

Your parking decal should be displayed in the driver side rear window.
