Subcommittee Priorities

- Oversee payer partnerships with managed care companies, employers and governmental payers on behalf of provider groups.
- Ensure partnerships utilize value-based approaches to payment based on quality and cost performance.
- Prioritize and align financial incentives across various contract terms and payment models including shared savings, prospective payments and risk arrangements.
- Ensure contracting procedures comply with Federal Trade Commission (FTC) and Department of Justice (DOJ) monitored regulations.
- Recommend and oversee management of the Board-approved Performance Incentive Program, ensuring incentives cascade and align with the model of care, clinical and operational objectives.
- Recommend and monitor the Board-approved capital and operating budgets.
- Monitor Network cost efficiency and risk adjustment performance.
