### Who's inspired you in your healthcare journey?

Iris Wareham, RN

### What are you most proud of in terms of contributions to healthcare?

My journey to LCMC began at Touro in 2001. I was an ICU nurse at night where I met Iris. She was the charge nurse and had been there for many years. Her nurturing attitude, professionalism, wit, humor, and seemingly unending knowledge inspired me to become the best nurse I could be. We soon became inseparable and best friends. She inspired so many nurses at Touro and was loved by many. She spent 43 years at Touro before retiring. She passed away recently, and I will never forget her nor the years we spent in ICU 3 and 6 at Touro. She was a GREAT nurse! Touro was and always will be our home! Rest in Peace my Friend. I am now a member of LCMC Cardiology and am very happy to use all the knowledge I've gained from my ICU years with Iris.
